Your FAFSA was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm information you and/or your parents reported on your FAFSA. In order to verify that you provided correct information, we will compare your FAFSA with information provided on this worksheet and any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent (if dependent) must complete and sign this worksheet, attach any required documents and submit the form and other required documents to the financial aid office at UTM. If we need additional information we will contact you. There are some instances where we may request other documentation, which will be listed in Banner under Student Requirements under Financial Aid Eligibility.
